               bending arms   lift head + arms
               straight down   to "W" again
               ("bull")

    →Represents the bull, with the dancer's arms being the bull's horns.

Anna Barton dedicated this dance to the memory of Bernhard Wosien whose strength,
vitality and zest for life reminded her of a bull
